

# Jaskaran Singh

CSE STUDENT

Having learnt from the past, I live in the present with an eye on the future. I try my best to foresee what the future is going to be, and what I need to do in order to succeed in that future. I am honest, self-motivated & hardworking person with positive attitude towards my career & life. Being punctual & sincere, I can finish the work given to me on time & try to fulfill all the needs of the company from me.
